Reporting Your Outage via Text:

If you only have one meter, texting the Nickname is not necessary. You can send a text that just says 'outage'.

If you forget what Nicknames you used or if you do not type in your outage correctly, you will receive a textmessage similar to the one at the right. You can either enter the number or the Nickname as it appears in the list.

Outage

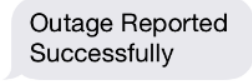

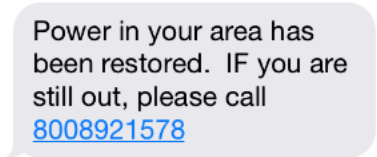

Choose-
1: Home
2: Pump
3: Rental
4: Work
All: All

Or call [800-892-1578](tel:800-892-1578) to report your outage

Once the outage is texted correctly, you will receive a confirmation text.

If you have multiple meters that are out of power, you can report those one at a time by texting the number or Nickname from the list or you may text 'all' or 'outageall' if all meters are without power.

Once power is restored, you will receive a text.

A grey speech bubble containing the text "Outage Reported Successfully".A green speech bubble containing the number "4".A grey speech bubble containing the text "Outage Reported Successfully".A green speech bubble containing the number "1".A grey speech bubble containing the text "Outage Reported Successfully".A grey speech bubble containing the text "Power in your area has been restored. IF you are still out, please call [8008921578](tel:8008921578)".

Requesting Your Outage Status via Text:

If you would like to know the status of your outage, simply text 'OutageStatus'. Our system will reply with a message notifying you of the status.
